Re: Request the release to the public of confidential portions of the filing by Liberty Utilities in NH PUC Docket 14-380

Dear Debra Howland,

Pursuant to NH PUC 201.07, the Town of Dracut, MA hereby requests the release of the portions of all confidential documents submitted by Liberty Utilities in their filing which address the possible expansion of the capacity of the Concord Lateral, or the creation of any infrastructure that may be necessary to deliver gas to Liberty customers under the alternative proposals Liberty considered (PNGTS "C2C" project and Spectra Atlantic Bridge).

At the Board of Selectmen's February 24th meeting, the Board voted to request the release of the redacted information. Of particular interest, the Town of Dracut, MA requests the un-redacted versions of pages 32 and pages 33 from the testimony of Francisco DaFonte.

Respectfully submitted,

Cathy Richardson
Chairman, Dracut Board of Selectmen
